

# Wellspring newsletter Oct 21

Hi everyone!

It was a real treat to re-open again in September even if it was just for a few weeks.

We raised **£66** at a special Macmillan wellspring and heard some of Mrs Jacksons Macmillan story, how they supported her and gave great advice during her cancer treatment in recent years.

Then the week after, we had some time **reflecting on some of our big questions**, What is faith? Who was Jesus? and other questions.

We were getting very excited about our first **Family Fun Day** but unfortunately had to put the brakes on again until after half-term.

"Its better to be safe than sorry" and due to the high number of cases in school right now, Yr4 & Yr6 are back in bubbles so can't meet after school 3:30-5pm until further notice.

Our doors are open however, before the end of school;

2-2:30pm for music and reflection to fill up and recharge

2:30-3:15pm for school uniform swap shop and a brew without the children .

**GOD BLESS** and hope to see you all soon!
